

# Masters of Disguise

## CAREER CONNECTIONS

### Interests and Skill Sets

- Natural World
- Animals, Insects, Birds
- Plants, Gardening
- Observation
- Curious Nature
- Communication
- Interpersonal skills
- Emotional Stamina & stability
- Critical thinking

### Jobs

- Wildlife Biologist
- Wildlife Conservationist
- Field Biologist
- Biomimcry specialist
- Bio Engineer
- Ecological Engineer
- Scientific Research
- Industrial or Product Designer
- Biochemist

### Courses and Degree Programs

- Biomimcry
- Zoology
- Wildlife Conservation
- Ecology
- Land Stewardship
- Environmental Science
- Biology
- Nanotechnology
- Architectural Engineering
- Systems Engineering
- Bio-Mechanical Engineering
- Chemistry
- Materials Science

### Writing Prompts

1. Complete the sound mapping activity from Bamberger ranch and write a story about what you heard.
2. Research a plant or animal that is of interest to you and write a report that shares your research and observations in the natural world.
